VILLA OVERVIEW

stunning pure Waterfront 5 bedroom, 5 bathroom luxury villa, in a small private headland development.

Directly in front of the house are two islands that are national parks and from these, we often have sea eagles flying overhead fishing directly in front of the house. Sometimes we also have sightings of the large and beautiful horn bill birds.

If you are looking for a something exciting and different – Waterfront Villa is truly unique in Phuket.

VILLA DETAILS

The Villa is made up of 4 separate pavilions, a large pool and timber deck surrounded by tropical gardens and large trees.

Interiors are finished with a mix of classic timbers and natural stone floors, a selection of original artworks and antique furniture from throughout Asia, gives a very sophisticated and comfortable colonial atmosphere to the Villa.

The whole Villa is air-conditioned and with views of the pool deck and the sea. Living and deck area have integrated sound systems for entertaining + Apple TV with movie library in all bedrooms and main living area. Fully equipped kitchen and appliances are of a high standard (Smeg).

There is a nice casual outdoor sala, and a more formal indoor dining area. The deck area has various seating and entertaining areas for parties next to the pool and provides beautiful views of the sea and islands.
